SHORTHAND DICTATION TEST

BATCH No. II (A)

This petition is directed against an order of suspension dated 9.1.2008.

Petitioner was working as a Fisheries Development Officer at Bareilly when he was transferred by the Deputy Director of Fisheries, Bareilly to Fatehpur *vide* order dated 29.6.2007 but it appears that he did not join and subsequently the Director of Fisheries *vide* order dated 31.7.2007 cancelled the said transfer order for a period of one year. Subsequently, *vide* order dated 22.9.2007 the petitioner was attached with the Assistant Director of Fisheries, Pilibhit but again he did not join and made various representations to the Director etc. In the meantime, the petitioner was placed under suspension, *vide* the impugned order dated 9.1.2008, in contemplation of an enquiry and subsequently the attachment order dated 22.9.2007 was cancelled in view of a Government order dated 26.11.2007.

It is urged on behalf of the petitioner that he has unblemished record and the impugned suspension order passed by the Deputy Director of Fisheries is *mala fide* and against the spirit of the order of the Director dated 31.7.2007 and therefore, should be quashed.

A counter-affidavit has been filed on behalf of the State and also the Deputy Director of Fisheries disclosing that the petitioner did not have an unblemished record and in fact was awarded adverse entry for the Session 2001-2002 for being a disciplined employee and the said entry was upheld when the representation of the petitioner was rejected by the Director *vide* order dated 26.2.2003. Again another adverse entry was given to the petitioner for the year 2002-2003 and his integrity was not certified and yet again his representation against the said entry was rejected by the Director of Fisheries *vide* order dated 25.1.2005. Large number of complaints have been received against the petitioner, some of which are dated 23.2.2007, 11.6.2007 and 22.6.2007 etc., which have been annexed with the counter-affidavit. In fact the District Magistrate, Bareilly *vide* his letter dated 27.5.2006 had requested the Secretary of the Fisheries Department to transfer the petitioner as his indifference to work was hampering achievement of the targets imposed by the Government.

Apart from that the Assistant Director of Fisheries, a superior officer had also complained against the petitioner *vide* his demi official letter dated 23.6.2007 that the petitioner had threatened and misbehaved with him. Certain pisciculturalists of the area had also made complaints against the petitioner for not supplying the fish seeds even after receiving the money from them. So far as his attachment at Pilibhit is concerned it is explained in the counter-affidavit that his attachment to Pilibhit was necessitated because the Assistant Director, Pilibhit *vide* his letters dated 10.7.2007 and 13.8.2007 etc. had requested the Deputy Director at Bareilly to send at least two Fisheries. The request of the authority was not acted upon for good reasons.

Assistant Director of Fisheries, Pilibhit but again he did not join and made various representations to the Director etc. In the meantime, the petitioner was placed under suspension vide the impugned order dated 9.1.2008, in contemplation of an enquiry and subsequently the attachment order dated 29.9.2007 was cancelled in view of a Government order dated 26.11.2007.

It is urged on behalf of the petitioner that he has unblemished record and the impugned suspension order passed by the Deputy Director of Fisheries is mala fide and against the spirit of the order of the Director dated 31.7.2007 and therefore, should be quashed.

A counter affidavit has been filed on behalf of the State and also the Deputy Director of Fisheries disclosing that the petitioner did not have an unblemished record and in fact was awarded adverse entry for the Session 2001-2002 for being an indisciplined employee and the said entry was upheld when representation of the petitioner was rejected by the Director vide order dated 26.2.2003. 11.6.2007 and 22.6.2007 etc., which have been annexed with the counter affidavit. In fact the District Magistrate, Bareilly vide his letter dated 27.5.2006 had requested the Secretary of the Fisheries Department to transfer the petitioner as his indifference to work was hampering achievement of the targets imposed by the Government.

Apart from that the Assistant Director of Fisheries, a superior officer had also complained against the petitioner vide his demi official letter dated 23.6.2007 that the petitioner had threatened and misbehaved with him. Certain pisciculturists of the area had also made complaints against the petitioner for not supplying the fish seeds even after receiving the money from them. So far as his attachment at Pilibhit is concerned it is explained in the counter affidavit that his attachment to Pilibhit was necessitated because Assistant Director, Pilibhit vide his letters dated 10.7.2007 and 13.8.2007 etc. had requested Deputy Director at Bareilly to send at least two Fisheries. The request of the authority was not acted upon for good reasons.

Fisheries Development Officers from Pilibhit was transferred to Fatehpur as the existing staff strength was insufficient to discharge the official duties and to implement various Government schemes effectively. In view of the administrative exigencies and considering the repeated complaints regarding the petitioner's conduct and negligence in performing

his duties, the competent authority deemed it appropriate to attach him at Pilibhit so that the departmental work might not suffer. However, despite the said attachment, the petitioner again failed to comply with the orders and did not report at the place of posting within the stipulated time, which clearly reflected his lack of discipline and disregard for lawful directions of his superior officers.

It has further been stated in the counter affidavit that the petitioner's continuous non-compliance with transfer and attachment orders, coupled with the complaints received from senior officers and members of the public, necessitated the initiation of disciplinary proceedings. Therefore, the order of suspension was passed purely as an interim measure in contemplation of a departmental enquiry to ensure a fair and impartial investigation and to prevent any interference with official records or witnesses. The respondents have asserted that the suspension order was passed bona fide, in the interest of administration, and strictly in accordance with the applicable service rules and Government instructions.
